

New Part Number Announcement

AA86146 CHT RTD Thermistor Now Available

Alcor®, an affiliated company of Tempest Aero Group™, is proud to announce the immediate availability of our FAA/PMA approved AA86146, bayonet-style CHT RTD thermistor.

The original 86146 has not been available for well over a year, therefore, Alcor responded to the demand of our customers and developed the AA86146 as an approved replacement for many old or obsolete part numbers, such as:

- AN5546-1
- 102-00007
- MS24482-1
- 8013601-4
- 8013601-6
- 453 751

The AA86146 is also eligible for installation on the following aircraft:

- Textron Aviation (Beechcraft) 95-55, 95-B55, G58, E55, E55A, 58, 58P, 58TC, F33A, F33C, V35B, A36, B36TC
- Textron Aviation (Cessna) 210, 310, 335, 340, 401, 402, 404
- Piper Aircraft PA-31, PA-31-300, PA-31-325

The AA86146 CHT RTD is the only available and approved product of its kind and is backed by an industry leading 1 year warranty.

AA86146 and all Alcor products are designed, manufactured, and supported in the U.S.A.
